

The Onyx Club

We love wine. We love the way it tastes and smells and looks (in a really nice glass). We love all the conversation and joy it inspires. We love that wine is best enjoyed when it is shared with those who appreciate it as much as we do. With that in mind we have created an exclusive wine club for oenophiles, grape groupies and geeks like us.

Enter MAX's **Onyx Wine Club**.

A place that offers fellow wine-devotees access to all the best we have to offer: the best wines, the best deals, the best events, and the best place to display it (and enjoy it) all.

Here are the details:

Onyx Club members are charged on a monthly, quarterly, or yearly basis:

Per month = \$75 / per quarter = \$225 / per year = \$750

Membership in Onyx Club includes:

- Use of one of our personal climate-controlled wine lockers
- A really cool and totally unique bottle of wine added to you locker each month
- Your name on your locker for all to admire and envy
- Case discount prices on single bottles of wine
- Monthly newsletter with featured wines, new arrivals, pre-sale opportunities, and highly allocated wine offerings
- Monthly, exclusive, members' only **Onyx Club** tasting events
- Discounted tickets to all MAX's wine events
- Personal use of MAX's Black Door Lounge for your private dinners, meetings, gatherings, etc.

The **Onyx Club** is our commitment to the continued enjoyment of all that is great about wine. This is your club and your space. Your place to relax, unwind and share in the joy of a wine you love with those who love it, too.

The Onyx Club. We love wine.
